Story 1 Open please!

Trace and circle the same picture.

 yellow			
---------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------	------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------

 red			
-------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------

 blue			
---------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------

Match and read.

A matching exercise consisting of two columns of words and a column of four empty boxes. Red lines connect the words to the boxes. The words in the first column are yellow, green, red, and blue. The words in the second column are computer, bag, book, and bat. The connections are: yellow to the top box, green to the second box, red to the third box, blue to the bottom box, computer to the top box, bag to the second box, book to the third box, and bat to the bottom box.

yellow • computer •

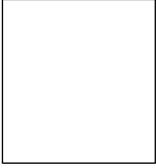

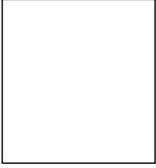

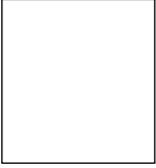

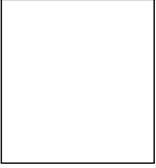

green • bag •

red • book •

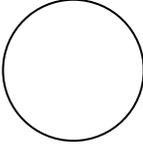

blue • bat •

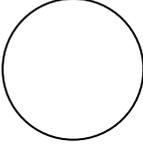

Four empty rectangular boxes are arranged vertically on the right side of the page.

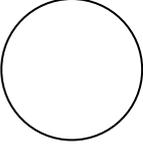

Read, look and complete the story.

			
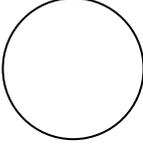

book	computer	bag	bat
